Dear Jim:

After having pulled together the Production Order, I notice that some items were inadvertently left off it, and I have issued Supplemental Orders, copies of which you will be getting shortly. In the meantime, I have pulled together pricing on the following items which we discussed:

- 1. Ice-Maker in Refrigerator \$100.00
- 2. Teak Rails to extend forward, P&S, to Pulpit 650.00
- 3. Garbage Disposal in Galley Sink 136.00
- 4. L-Shaped Seat on Fly Bridge 895.00
- 5. One Additional Interroom in Crew's Stateroom 75.00
- 6. Additional Stereo Speaker in Guest Stateroom 100.00
- 7. Furnish & Install Nu-Tone Blender in Galley 240.00
- 8. Provide Storage outboard of owner's beds, P&S - Raise Shelf 8" ... 300.00

There is one other item that I have not priced - the florescent lights in the salon and owner's stateroom. I would prefer to take a look at your present boat before pricing this item.

I am enclosing our most recent engineering for your consideration. We discussed shortening the Fly Bridge. After you have looked at the profile drawing, I would like your comments relative to the possibility of staying with our standard bridge, which is represented on the drawing. Personally, I don't believe it is too big for the boat, and I feel that it is better-looking than a smaller bridge. Let me have your comments on this.

Regards,

THE MATTHEWS COMPANY
